Le foto di questo catalogo hanno uno scopo puramente illustrativo e non sono vincolanti per la produzione. Alcune finiture o varianti potrebbero essere soggette a minimi d'ordine e supplemento prezzi. Per ogni ulteriore informazione circa i prodotti e le versioni disponibili, gli eventuali minimi d'ordine e prezzi, vogliate contattare l'Ufficio Commerciale. La gamma dei tessuti può essere soggetta a variazioni, senza alcun preavviso, dovute a motivi tecnici o di produzione. **Emmeti Contract** non potrà essere ritenuta responsabile in caso di cessata produzione da parte del fornitore.

I colori del legno e delle stoffe sono puramente indicativi per le inevitabili differenze dovute alla riproduzione tipografica e non possono essere fatti oggetto di comparazione con il prodotto finale.

Poiché il legno è un prodotto naturale, si potranno notare piccoli nodi, venature e leggere variazioni di tonalità in ciascun elemento che costituisce il prodotto finale. Queste variazioni sono caratteristiche naturali della materia prima che accrescono la bellezza del prodotto e non ne diminuiscono in alcun modo le caratteristiche tecniche. Con il passare del tempo e l'invecchiamento il colore del legno può cambiare. Questo è un processo naturale.

Emmeti Contract si riserva la facoltà di variare in qualunque momento dimensioni e tipo di costruzione, nonché di apportare migliorie e varianti a suo insindacabile giudizio, senza preavviso alcuno. Allo stesso modo è facoltà dell'azienda sospendere la produzione di uno o più modelli qualora le esigenze di mercato lo richiedessero.

The photographs in this catalogue are for demonstration purposes only and are not binding for production. Some finishes or models may be subject to a minimum order or additional charges. Please contact our Sales Department for further information.

Our fabric collection may be subject to change without notice for technical or production objectives. **Emmeti Contract** will not be responsible in case of discontinued production as a result of suppliers' actions.

For further information about available models, finishes, minimum orders and prices, please don't hesitate to contact us. Wood finishes and fabric colours shown here are to be considered purely indicative – printed reproductions may differ from the final product and cannot be subject to comparison.

As wood is a natural material you may notice natural knots, grain and slight variations in the shading of each wooden piece. These variations are natural features of timber that enhance the beauty of the product and do not detract from its performance in any way. The colour of wood may change as it ages - this is a natural process.

Emmeti Contract reserves the right to modify illustrated products without prior notice and to discontinue the production of one or more models due to changes in market needs.
